BIRCH

Qualitybilt
CABINETS

A.I.A. FILE NO. 35-C-12

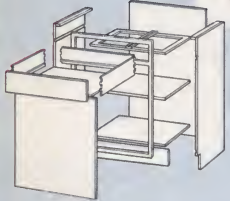

Qualitybilt KITCHEN UNITS *Precision Tailored of Beautiful Birch.*

Ideal For New Homes or Modernizing

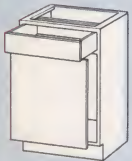

Furnished in 3 different ways

1 SEMI-ASSEMBLED

All parts accurately machined, ready to assemble and finish. Doors fitted and mortised for hinges. All hardware included but not attached. Backs included. Each unit individually carton packed. Instructions for assembly included.

2 SET UP—NOT FINISHED

Each unit completely factory assembled, ready to install. Surfaces sanded. All hardware included, but not attached.

3 SET UP—Natural Finish or Enameled

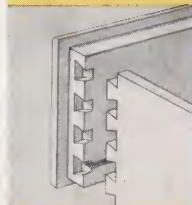

Each unit completely factory assembled with all hardware attached. Finished natural birch or enameled in choice of 12 colors. Finish is sprayed on making smooth, easy-to-clean surfaces.

Note: Finished Units will have doors hinged to open as shown herein, unless otherwise specified.

Qualitybilt Cabinet Installation in a roomy Kitchen-Dining Area . . . Ceiling height wall cabinets provide bonus storage in space not otherwise used. Remember, it costs no more to install the finest.
